EXPERIENCE

Fusion Intelligence Technologies

Product Design Intern – July 2023 – October 2023

Led the design of user-centric interfaces that enhanced usability and increased user engagement. Conducted thorough user research and translated key insights into impactful design decisions. Collaborated cross-functionally with developers, product managers, and designers to ensure seamless implementation of design solutions. Contributed to the development of a scalable design system to promote consistency, efficiency, and brand alignment across all product touchpoints.

Admos Hotel & Suites

Receptionist – July 2019 – October 2019

Served as the first point of contact for guests, delivering warm, professional service to ensure a welcoming experience. Handled check-ins, check-outs, and guest inquiries efficiently, contributing to smooth daily operations. Managed reservations, coordinated with housekeeping and maintenance teams, and resolved guest concerns promptly to maintain high satisfaction levels. Maintained accurate records and upheld hospitality standards to enhance the hotel's reputation and guest loyalty.

Heritage Stores

Sales Assistant – 2011 – 2014

Assisted in daily sales by helping customers select and purchase items. Handled cash and product transactions and kept the store organized. Provided friendly service and supported basic shop operations.
